

REMARKS

Claim 30 has been amended to correct its dependency.

The Examiner indicated several independent reasons for allowability. It should be further emphasized that the prior art does not teach or suggest the limitations of any of the allowed claims.

Applicant hereby respectfully requests that on recommendation of the Examiner and approval by the Director that this amendment be entered. If there are any questions with regards to this matter, please do not hesitate to contact at us at the number below.

Respectfully submitted,

BEYER WEAVER & THOMAS, LLP
